

Partnership to Improve Health for Children Zero to Three

April 27, 2017

Speaker Bios

Anita K. Hagan, RN, BSN, MSN, CNS

Anita Hagan is the director/manager of Pediatric Product Line at Deaconess Health System, overseeing Deaconess Riley Children's Services, Deaconess Riley Children's Specialty Center & OP Department, Pediatric Physicians, & Child Life Services. Ms. Hagan also serves as adjunct faculty for the University of Evansville Nursing Program. She has spoken at various community group conferences on behalf of Deaconess Riley Children's Services and is currently a board member of St. Vincent Center for Children & Families, board member of Warrick County Communities that Care Coalition, member of SW Austin Care, and a member of the Warrick County Leader for Riley Children's Foundation. In the past, she served as chairman for the Pediatric Patient & Family Advisory Council.

Ms. Hagan received her bachelor's degree in nursing from the University of Evansville and her master's degree in nursing from the University of Southern Indiana.

Christina M. Ryan, BSN, MPH/HSA

Christina M. Ryan is Chief Executive Officer and Chief Nursing Officer at The Women's Hospital in Newburgh Indiana. She assumed the role of Director of Women and Children Services at St. Margaret Mercy Healthcare Centers in Northwest Indiana in 1989 where she coordinated the opening of a new LDRP birthing unit, neonatal and pediatric intensive care units on the east side campus, and maternity and pediatrics services on the south campus.

Past and current boards include: Department of Health and Human Services Secretary Advisory Council for Infant Mortality, Southwest Division Chair for March of Dimes, Welborn Baptist Foundation Advisory Committee for Movement Building Healthier Communities, German American Regional Advisory Banking Board, Indiana Perinatal Network, and Indiana Perinatal Quality Improvement Collaborative (IPQIP) for the Indiana State Department of Health, Southwest Leadership Council for Riley's Children Foundation, and Ronald McDonald House Charities. Mrs. Ryan has also recently been recognized as one of Becker's review top female healthcare executives to know.

Ms. Ryan received her bachelor's degree in nursing at Elmhurst College in Elmhurst, Illinois and her master's degree in public affairs/ health administration at Indiana University. In May of 2015 she was awarded an honorary Doctor of Science by Elmhurst College.

Nancy Swigonski, MD, MPH

Dr. Nancy Swigonski is a Professor of Pediatrics in the Indiana University School of Medicine and in the Fairbanks School of Public Health. She serves as the Medical Director of the Early Evaluation Hub system. She is co-Chair of the Quality Improvement Committee for Indiana State Department of Health's Perinatal Quality Improvement Collaborative. She is the immediate past president of the Indiana Chapter of the American Academy of Pediatrics. Her special interests are in underserved populations and children with special health care needs. Her grant funding and publications reflect her broad interests in system design, implementation science and improving the quality of care for children.

Dr. Swigonski received her bachelor's degree in zoology and her medical degree from the University of Kentucky, completed her residency and fellowship at Indiana University Medical Center and received her master's degree in Public Health from Indiana University.
